Connect to what's on and worth knowing
Each week day we'll deliver free to your inbox a recommendation of what's hot right now and short articles listing what's on in Sydney. We write for smart, busy people who like useful lifestyle tips, staying ahead of the social curve and value time well spent with friends and family.

Stay informed, **subscribe here** for free.

on the cuff

On your wrists - concealed and confident - sits the most subtle weapon of choice for any man familiar with meeting and 'war' rooms. A striking pair of quality cufflinks that show not only a splash of colour but can reveal your good taste and for better or for worse virtues.

Some 300 hand-crafted pairs are now housed in the new Fairfax & Roberts and Deakin and Francis Room. The custom-built cufflink bar is its only kind in the world and lets you choose...
